PINK HIMALAYAN SALT URNS

NEW ARRIVAL

These urns, handcrafted from Himalayan salt, emit a soft pink glow for peace and love.

Hand-carved from Himalayan salt rock sourced from Pakistan's Salt Range, our urns blend natural history and skilled artistry. Formed over 570 million years ago, each urn is truly one-of-a-kind, echoing the uniqueness of a loved one with its organic patterns and gentle colors. Fully biodegradable, they offer a natural and heartfelt farewell, helping you honor and celebrate a cherished life.

NATURAL COLORATION AND VEINING VARIES
MAIN COLOR

USAGE: ideal for ground and water ceremonies.

ECO-FRIENDLY: biodegradable and water soluble with minimal environmental impact.

PINK HIMALAYAN SALT
100% Natural

Our Pink Himalayan Salt Urns are handcrafted from natural Himalayan salt, so each is unique. Salt attracts moisture, so in humid or warm environments, it may "sweat"; this is a natural part of pure salt stone. These urns offer a grounding tribute with a timeless natural presence.

DAHLIA urns, handcrafted from pure Himalayan salt, glow softly with natural pink hues symbolizing peace and love.

FINISH

Precision-Crafted, Machine-Crafted, Natural Smooth Finish

BEYOND THE SURFACE: Soft hues and natural textures radiate calmness and compassion crafted to bring serenity to remembrance.

COLOR DESCRIPTION: Natural pink and coral Himalayan salt with gentle translucence and warm, soothing tones.

MAIN COLOR

DAHLIA

PINK HIMALAYAN SALT

DAHLIA Pink Himalayan Salt Urns are made from 100% natural salt, radiating natural warmth and purity. The gentle pink and coral tones of Himalayan salt create a soothing glow, symbolizing peace, love, and the beauty of life's natural cycle. Each urn is uniquely crafted, offering a serene and organic tribute.

BEST SELLER

DURABLE & UNIQUE

Using stone urns symbolizes our connection to the earth and the universe. The unique colors and patterns of each stone are a testament to the natural forces that shaped them over time.

Features: Each pattern is unique, secure, and visually appealing; no two patterns are the same, and they are made of 100% natural stone.
